

RESPUBLICA CARES

We are very sympathetic of the stresses and strains that the pandemic and the effect of the lockdown has had on the lives of our students and their families. While you were away from campus and the convenience of your residence, you have also had to adapt to the challenge of studying remotely, which has been potentially distracting and costly too.

We are also aware that the disruption to your academic year means that even when you do return to residence you may need to stay on longer at university beyond the end of November, likely into December and January next year.

While the lockdown has seriously impacted Respublica's business we really want to do all we can to assist you during your time of need. So we are very excited to announce that Respublica is offering all directly contracted students the following help starting immediately in June (subject to terms and conditions to follow).

We truly hope that this will help set your mind at ease about any additional accommodation costs you were worried about for the rest of this year, and that the extra cash will help you with your additional expenses (like data and food). We look forward to having you back in your Respublica home soon!

WE ARE OFFERING:

2 months free accommodation
during December 2020 and January 2021.

A monthly **cash voucher of R200**
from June until November 2020.

TO ALL OUR CONTRACTED STUDENTS!
