

WE'RE MISSING YOU!

The day is drawing nearer for you to return to your residence and we are getting very excited to welcome you back. As we mentioned previously, we will be in a position to start accepting students back into residences from Saturday 13th June onwards.

Your specific return date will depend on when your university campus reopens and whether you have confirmation from your university/faculty that you are approved to return.

Once these criteria have been met all you need to do is follow the Respublica re-admission process, get confirmation of your allocated check in date and arrive home!

WE ARE READY TO CHECK YOU IN AGAIN!
