

18 August 2020

Dear Republicans,

The announcement from our President, Cyril Ramaphosa, on 15 August 2020 has taken the country into a long-awaited lockdown level 2 as from midnight on Monday 17 August 2020. Although this brings some needed relief, it does not take away the real threat that the virus still presents to our communities and the risk of a resurgence as people reintegrate towards normal activity. We cannot afford to drop our guard and compromise our stringent health protocols and behaviour over this time.

This means that more so than ever, we must adhere to the safety protocols that we have now become accustomed to:

- Always wear a mask in public areas
- Keep your hands clean and sanitized
- Keep your distance, at least 1.5m from each other
- Keep visiting with friends and family to a minimum

The safety protocols that Respublica has implemented in all residences remain firmly in place without exception. However, in line with the less stringent regulations under level 2, we have reviewed the current house rules and relaxed certain rules accordingly. These house rules will be reviewed regularly and will be adjusted according to the state of Covid-19 in the country as well as in your residence.

General Item	Current Rules	Level 2 Rules	Comments
External curfew	8pm to 6am	10pm to 6am	
Internal curfew	12 midnight to 6am	No Change	
Gym	Closed	Open	Once sanitisers and paper towel are in place
Visitors	No visitors	No Change	
Sleep overs	No	No Change	
PC Labs	Open	No Change	
Exiting Res on a daily basis	No restriction	No Change	
Other public Areas	Closed	No Change	

Thank you for being responsible residents and helping continue to protect your community. Please keep staying safe!

Kind Regards,
 Respublica Management
